

Gregg Stevenson from Foulridge and Lauren Rowles win Gold!

Lauren Rowles and Gregg Stevenson left it late to claim a thrilling Paralympic gold in the mixed double sculls as Great Britain won four rowing medals early on day four in Paris.

Rowles and Stevenson, aiming for Great Britain's third successive Paralympic gold in the division, trailed Chinese Lius Shuang and Jijan Jiang with 100m to go in the 2,000m event.

But the British duo timed their charge perfectly to snatch a dramatic victory in a time of eight minutes 20.97 seconds.
